

Confirmation of the church in Namhae, Korea

We declare unequivocally as the one local church of many local churches that the many accusations being made by Titus Chu and certain of his co-workers against the blending co-workers and the recovery itself are false.

We strongly testify that in the Lord's recovery there is no global organization, but only the fellowship of the local churches in oneness. There is no hierarchy, but only the blending together of the saints for the building up of the Body of Christ. We, the church in Namhae, Korea, are standing together with one group of blending brothers for the accomplishment of New Testament Ministry in this age.

We, the church in Namhae, Korea, appreciate very much to the blending brothers for the continuous shepherding and supply of life, in life, with life, by life in one accord same that bro. Lee did.

Finally, may God bless all the local churches and blending brothers.

We signed hereby on behalf of the church in Namhae, Korea.
