

AN OPEN LETTER OF AFFIRMATION FROM THE LEADING BROTHERS
IN THE LOCAL CHURCHES IN THE SOUTHEAST (USA)

December 2, 2006

To the dear saints in all the local churches in the Southeast.

The undersigned brothers, all being leading brothers in the churches in the Southeast, issue this letter to affirm our agreement with the entirety of the recently released statement by the blending co-workers in the Lord's recovery entitled "A Warning to All the Saints and All the Churches in the Lord's Recovery Concerning Titus Chu and Those Who Promote and Disseminate His Divisive Teachings, Publications, Practices, and Views" (October 1, 2006).

We believe the issuance of this warning letter to be the action of the Head, through the Body, for the protection of the one flock.

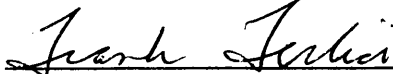

Furthermore, we would like to practice following the Spirit by following the churches. Hence, we, the churches in the Southeast, stand one with the leading brothers in Southern California in their letter entitled "An Open Letter From the Leading Brothers in the Local Churches in Southern California to All the Saints in Those Churches" (October 21, 2006). We would like to express a strong "Amen" to their affirmation of the warning, response to false accusations, emphatic testimony to the truth, warnings against contagious germs, recommendations to read the positive writings, and genuine concern for all the members of the Body of Christ.

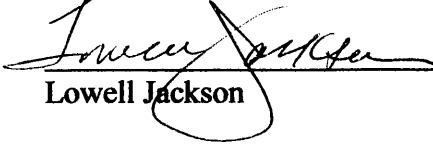

We recommend that this open letter of affirmation, along with the above two mentioned letters, be read to all the saints in all the local churches in the Southeast.

The grace of the Lord Jesus Christ and the love of God and the fellowship of the Holy Spirit be with you all. (2 Corinthians 13:14)
